Leaflet number: 358 Version: 3.2

How to get replacement batteries

Replacement batteries for your NHS hearing aid are free of charge. You can collect batteries from any of the hospitals, doctor's surgeries or health centres listed in this booklet (even if you do not attend that particular surgery). If you are unable to collect your batteries in person, a friend or relative may do so on your behalf, or you can request them by post.

Please bring your yellow appointment card with you, or send with your postal request.

Requesting replacement batteries by post:

To receive replacement batteries by post, please send your yellow appointment card and a stamped self-addressed envelope to the address below. Please use a **large letter stamp**, as the envelope will be thicker when returned to you.

**Hearing Services Department
Leicester Royal Infirmary
Leicester
LE1 5WW**

**Self-addressed
envelope**

**LARGE
LETTER
STAMP**

You can also send your hearing aid(s) in by post for repair, and/ or request replacement tubes and domes. 2 large letter stamps will cover the cost of postage for batteries plus tubes and domes, however if sending in a hearing aid(s) we advise that you check the postage required with the post office. Insufficient postage may result in a delay of the return of your aid(s) and additional charges from the post office.

**Health information and support is available at www.nhs.uk
or call 111 for non-emergency medical advice**

Visit www.leicestershospitals.nhs.uk for maps and information about visiting Leicester's Hospitals

How to get your hearing aid repaired or serviced

Repairs and servicing can be done either by post, attending one of our drop-in clinics (there is only 1 location for this), or by making an appointment to attend one of our repair clinics.

You may be asked to make a repair appointment in order to assess any further treatment needed, or to discuss any other issues that you may have about your hearing aid(s).

Repairing your hearing aid by post:

Please send your hearing aid(s) with your yellow appointment card to the address on **page 1**. You will need a large letter stamp but we advise you check with the post office as needed. You will also need to include a stamped self-addressed envelope with a **large letter stamp** on it (as the envelope will be thicker when returned) so we can return your aid(s) to you.

If you are also requesting accessories at the same time, please see the instructions on page 1 for applying extra stamps to your self-addressed envelope. Insufficient postage may result in a delay for the return of your aid(s) and additional charges from the post office.

Attending a drop-in clinic for repair or servicing:

If you need your hearing aid repaired or serviced, or need a new mould, we offer a walk-in repair clinic where you can be seen without an appointment. We only offer this service at the location below:

Belgrave Neighbourhood Centre

Rothley Street
Leicester LE4 6LF

Every other Wednesday, 9:30am to 12pm - please check at the site for the next session.

Making an appointment for repair or servicing:

You can make an appointment to have your hearing aid(s) serviced or repaired at your convenience. The Hearing Services Department has a dedicated telephone line in order to book repair appointments at the named clinics on the **next page**; please state which clinic you would like to attend.

The telephone line is open Monday, Tuesday, Thursday and Friday - 9am to 12pm and 1.30pm to 5pm.

Telephone: 0116 258 5120

Text (only): 0772 918 8421
