

Advice after a colonoscopy

Endoscopy Department

Information for Patients

Last reviewed: March 2024

Next review: March 2025

Leaflet number: 881 Version: 4.1

If you have had sedative medicine:

For 12 hours you should:

- be accompanied by a responsible adult.

For 24 hours:

- do not drive a car or ride a bicycle.
- do not drink alcohol.
- do not operate any machinery or do anything which needs skill or judgement.
- do not make important decisions or sign any documents.
- do not climb ladders.
- do not return to work until after this period of time.

General advice

- Go home and rest.
- You may eat and drink as normal.
- You may feel a little bloated with wind pains for the rest of the day, but these usually settle quickly; if not contact your GP.
- You may have mild diarrhoea for up to a week. If you have any bleeding that lasts longer than 2 days, please contact your GP.

**Health information and support is available at www.nhs.uk
or call 111 for non-emergency medical advice**

When to seek help

Go to your nearest Emergency Department immediately if you:

- have severe tummy (abdominal) pain.
- have significant tummy (abdominal) pain on your left side.
- have shoulder pain on your left side.
- have a lot of bleeding from your bottom.
- have a fever with or without shivering.

This is especially important if you are taking immunosuppressant drugs e.g. steroids, azathioprine, cyclophosphamide or methotrexate.

Endoscopy Department contact details

Leicester General Hospital:	0116 258 4183
Leicester Royal Infirmary:	0116 258 6997
