Patient and prime carer saver tickets

Saver tickets are available from the car park office. Only **1 saver ticket** can be bought per patient. These tickets do not guarantee a parking space. We do not give refunds for these tickets.

To transfer your saver ticket for use at the other 2 hospital sites, go to the car park office.

Day ticket £8.00:

The daily ticket is available to **patients and prime carers**. It costs **£8.00** and is available from the car park office. The daily ticket expires at the end of the day it is bought on.

Reducing your day charge:

If you are delayed and it was not your fault, or need longer treatment that lasts longer than 4 hours, you or your carer can apply for a discount to reduce your car park fee to the daily rate of **£8.00**. Only 1 person may claim the discount for each patient.

To claim the £8.00 maximum charge you need to:

1. Ask a member of staff on the ward or department to sign, date and write the time you leave on your appointment card, letter or a compliments slip.
2. Take this to the car park office for your discount. The time on your card must be within a reasonable period of the time you show it to the car park office.

Weekly ticket £22.00:

It is available for patients and prime carers from the car park office. It is valid for 6 days after the date of purchase. For example, if purchased on a Tuesday it will expire at the end of the following Monday.

Monthly ticket £73.30:

It is available for patients and prime carers from the car park office. The ticket can be used at any time during the calendar month. For example, if purchased on 6th November it will expire at the end of 5th December.

Carer's ticket:

The prime carer of a patient that has been in hospital for more than 6 weeks will be given free parking from the beginning of the 7th week.

Only 1 saver ticket can be issued at 1 time per patient. It can be passed between carers.

To get this the carer must visit the car park office with the patient number and explain they are the carer of a patient that has been in hospital for more than 6 weeks. This information will be checked against the patient database. We will make a free pass if you are eligible.

If you have a pay and display ticket and are late:

Please contact the car park office on site or find a car park attendant who will help you to pay the outstanding fee.

Who is eligible for free parking or can claim back charges?

Patients on benefits:

Patients getting certain benefits can have their parking charges refunded. This is for external public car parks and the hospital car parks.

The qualifying benefits are notified by the Department of Social Security. You will need proof of entitlement to the benefit and proof of hospital attendance from an appointment card or letter.

The current qualifying benefits are:

- Income Support Letter: valid for 6 months from the date in the top right hand corner.
- NHS Tax Credit Exemption Certificate Card
- Income Based Job Seekers' Allowance Letter: valid for 6 months from the date in the top right hand corner.
- HC2 Exemption certificate
- Income Related Employment and Support Allowance
- Pension Credit Guarantee Credit

For more information contact the cashier's office.

If you are named on a HC3 Exemption Certificate, contact the cashiers office for advice, as you may qualify for help.

Blue badge holders:

If, as a patient, you have a blue badge and have an appointment you qualify for free parking. Park in any pay and display and display your blue badge. There will be no charge.

Patients attending regularly:

Patients that attend at least 3 times a month for at least 3 months, are able to claim back parking charges. To claim back parking, you will need to:

- Keep all car park receipts.
- Keep appointment letters, for the day that matches to dates of the receipt.
- Visit the cashier's office, on the corridor after the main reception.

Parents of children staying overnight (aged 17 to 364 days or younger):

Parents of children that have to stay in overnight can claim free parking. To claim this, the parent needs to visit the car park office on the way out of the hospital.

Take your ticket to the car park office, give the child's "S number" and you will get free overnight parking.

The free parking is between 7:30pm to 8am. Anything outside of the given hours is chargeable.

Please note that this is valid for 1 car per transaction.

Alternative travel options

Our car parks are full on a regular basis. We are unable to make sure parking is available for all users. If you are coming by car you may need to queue.

Cycling: There are cycle stands outside the Clinical Education Centre of the hospital where bikes can be locked.
