

Helping you to plan your visit to Hinckley Community Diagnostic Centre (CDC)

Information for Patients

Produced: September 2025

Review: September 2028

Leaflet number: 1657 Version: 1

How to get to the centre

Hinckley Community Diagnostic Centre (CDC), Mount Road, Hinckley, LE10 1AG

Parking

There is parking for patients just off Mount Road. This car park also has spaces for disabled people and electric cars. There are also easy-to-reach spots near the entrance.

The car park uses a camera system that reads your number plate (ANPR). When you get to the front desk, you must type in your car's registration number to avoid a fine. Parking space is limited. Try to use other ways to travel if you can.

To plan your trip, you can use the 'Choose how you move' website: www.choosehowyoumove.co.uk. It shows bus routes and more.

Transport for patients

If you cannot travel by car or bus because of health reasons, we can help. To see if you are eligible for book patient transport to your appointment talk to your GP. If you have used EMED before, we can help again.

Patient transport

You can use the Patient Zone to make travel plans. Please tell the person on the phone about any medicines you are taking.

By car

The hospital's postcode is **LE10 1AG**.

**Health information and support is available at www.nhs.uk
or call 111 for non-emergency medical advice**

Visit www.uhleicester.nhs.uk for maps and information about visiting Leicester's Hospitals
To give feedback about this information sheet, contact uhl-tr.informationforpatientsmailbox@nhs.net

By bike

You can lock your bike in the bike shed in the car park.

Support

If you have a learning disability and need help, please contact us. Our team is here to help. If you have any questions, please ask someone at the front desk.

For language help, use the number in your appointment letter as soon as possible. Please note that family or friends may not be allowed to act as translators.

Infection prevention

Do not enter the hospital if you have flu-like symptoms, such as a high fever, cough, or runny nose.

Do not visit the hospital if you have had diarrhea or vomiting in the last 48 hours (2 days). This is to stop the spread of infection.

Please sanitize your hands when entering the hospital and often afterwards. Hand sanitizers are available throughout our facilities.

Refreshments policy

There will be no refreshments available at the facility. We kindly ask that you bring your own food and drinks. You may be at the center for a long period of time.

Contact details:

Should you have any inquiries or concerns:

For endoscopy enquiries call: **0116 502 1611**

All other enquiries call: **0116 502 1600**
