The weekly and monthly tickets can be transferred between the 3 hospitals.

The saver can be transferred between the Leicester Royal Infirmary and Glenfield.

For more information please contact one of the car park offices.

Day ticket £8.00:

The daily ticket expires at the end of the day it is bought on.

To claim the £8.00 maximum charge you must visit the car park office before exiting. If the office is closed please use the intercom button on the pay machine

Weekly ticket £22.00:

It is valid for 6 days after the date of purchase. For example, if purchased on a Tuesday it will expire at the end of the following Monday.

Monthly ticket £73.30:

The ticket can be used at any time during the calendar month. For example, if purchased on 6th November it will expire at the end of 5th December.

£25 saver card (only valid in the ANPR car park):

A saver card costs **£25.** With this you will get **£50** of parking credit. They can be used at any time. They are available to patients and prime carers. The car park fee will be deducted from the card with each use. This is like the way you pay for 'pay as you go' mobile phone use. Saver cards can be used over any number of months. They only run out when the **£50** credit has been used.

Carer's ticket:

The prime carer of a patient that has been in hospital for more than 6 weeks can have free parking from the beginning of the 7th week.

Only 1 saver ticket can be issued at 1 time per patient. It can be passed between carers.

To get this the carer must visit the car park office with the patient number and explain they are the carer of a patient that has been in hospital for more than 6 weeks. This information will be checked against the patient database. We will make a free pass if you are eligible.

Who is eligible for free parking or can claim back charges?

Patients on benefits:

Parking charges can be reimbursed (hospital and public car parks). If you need to claim for your healthcare travel cost expenses, you can apply online or complete a HC5(T) Form and make a claim by post. The HC5(T) Forms can be found at the Car Parks Office.

Blue badge holders

Blue badge holders park for free when they visit any of our hospital sites for their appointment.

Car park with barrier

You can scan the barcode on your badge at any of our pay machines before leaving the barriered car park at the Glenfield Hospital.

- Enter your vehicle registration number, and press ‘accept’
- Scan the barcode on the rear side of your badge
- You will see a confirmation message reading ‘Payment Complete’ on the screen
- Drive to the exit. You have 30 minutes to exit the car park after scanning your badge

Intercom buttons are available at our pay machines and at the car park barriers. If you have any issues while scanning the blue badge at the pay machine, or the barrier will not lift when you reach it, please press the intercom button to speak to a member of our team.

Car park with no barrier

If there is no barrier at the car park entrance or exit, for example, at the South car park, please keep your blue badge on display within your vehicle throughout your stay.

This system is for blue badge holders only. Misuse could lead to a fine of £80, reduced to £45 if paid within 14 days.

Patients attending regularly:

Patients that attend at least 3 times a month for a period of at least 3 months can claim back parking charges. To claim back parking, you will need:

- Keep all car park receipts
- Visit the car park office to obtain a form
- Complete form and send together with copies of your receipts and appointment letters to uhl-tr.cashiersmailbox@nhs.net

Parents of children staying overnight (aged 17 to 364 days or younger):

Parents of children that must stay overnight can claim free parking. To claim this, the parents need to visit the car park office on their way out of the hospital.

- If in a pay and display car park take your ticket to the car park office, give the child's "S number" and you will get free overnight parking.
- If in an ANPR car park you will not need your ticket.

The free parking is between 7:30pm to 8am. Anything outside of the given hours is chargeable.

Please note that this is valid for one car per transaction.

If you have a pay and display ticket and are late:

Please contact the car park office on site or find a car park attendant who will help you pay for the outstanding fee.

Other travel options

Our car parks are full on a regular basis. We are unable to make sure parking is available for all users. If you are coming by car you may need to queue. This is on average between 20 and 30 minutes.

We encourage you to use another form of transport if you can. 'Choose how you move' is a local journey planner that shows you the different possible transport options for your journey: www.choosehowyoumove.co.uk

There are regular bus links. Call Traveline on **0871 200 22 33** for more information. For train details call **0845 748 49 50**.

Our Hospital Hopper: This bus service links our 3 hospitals with Beaumont Leys Centre, Hamilton Centre, the Railway Station and Jubilee Square (Park & Ride hub). The service runs every 30 minutes during the day. Nationally recognised concessions are valid on the Hospital Hopper.

Park and Ride: There are 3 Park and Ride sites on the edge of Leicester. They run every 15 minutes from 7am to 7pm, Monday to Friday. Park and Ride does not come direct to Glenfield Hospital, but you can change onto a bus service for example, Hopper or First 14 to travel to the Glenfield.

Cycling: There is a cycle stand at the front of the hospital where bikes can be locked.

For more information on transport options to the Glenfield Hospital including the hospital hopper timetable see our website www.uhleicester.nhs.uk/hospitals/glenfield-hospital/directions/
