## Patient and prime carer saver tickets

Saver tickets are available from the car park office. Only **1 saver ticket** can be bought per patient. These tickets do not guarantee a parking space. We do not give refunds for these tickets.

The weekly and monthly ticket can be used across the other 2 hospital sites. To transfer your saver ticket visit the Car Park Office.

### Day ticket £8.00:

It is available for patients and prime carers available from the car park office. The daily ticket expires at the end of the day it is bought on.

### Reducing your day charge:

If you are delayed and it was not your fault, or need longer treatment that lasts longer than 4 hours, you or your carer can apply for a discount to reduce your car park fee to the daily rate of **£8.00**. Only 1 person may claim the discount for each patient.

### To claim the £8.00 maximum charge you need to:

1. Ask a member of staff on the ward or department to sign, date and write the time you leave on your appointment card, letter or a compliments slip
2. Take this to the car park office for your discount. The time on your card must be within a reasonable period of the time you show it to the car park office.

### Weekly ticket £22.00:

It is available for patients and prime carers available from the car park office. It is valid for 6 days after the date of purchase. For example, if purchased on a Tuesday it will expire at the end of the following Monday.

### Monthly ticket £73.30:

It is available for patients and prime carers from the car park office. The ticket can be used at any time during the calendar month. For example, if purchased on 6th November it will expire at the end of 5th December.

### £25 saver card (only valid in the ANPR car park):

A saver card costs **£25**. With this you will get **£50** of parking credit. They can be used at any time and are available to patients and prime carers. The car park fee will be deducted from the card with each use. This is similar to the way you pay for 'pay as you go' mobile phone use. Saver cards can be used over any number of months and only run out when the **£50** credit has been used.

### **Carer's ticket:**

The prime carer of a patient that has been in hospital for more than 6 weeks will be given with free parking from the beginning of the 7th week.

Only 1 saver ticket can be issued at 1 time per patient. It can be passed between carers.

To get this the carer must visit the car park office with the patient number and explain they are the carer of a patient that has been in hospital for more than 6 weeks. This information will be checked against the patient database. We will make a free pass if you are eligible.

### **If you have a pay and display ticket and are late:**

Please contact the car park office on site or find a car park attendant who will help you pay for the outstanding fee.

## **Who is eligible for free parking or can claim back charges?**

### **Patients on benefits:**

Patients getting certain benefits can have their parking charges refunded. This applies to external public car parks as well as the hospital car parks.

The qualifying benefits are notified by the Department of Social Security. You will need proof of entitlement to the benefit and proof of hospital attendance from an appointment card or letter.

### **The current qualifying benefits are:**

- Income Support Letter: valid for 6 months from the date in the top right hand corner.
- NHS Tax Credit Exemption Certificate Card
- Income Based Job Seekers' Allowance Letter: valid for 6 months from the date in the top right hand corner.
- HC2 Exemption certificate
- Income Related Employment and Support Allowance
- Pension Credit Guarantee Credit

For more information, contact the cashier's office.

If you are named on a HC3 Exemption Certificate, contact the cashiers for advice, as you may qualify for help.

### **Blue badge holders (in ANPR car park):**

If you are a patient and you have a blue badge because of your disability, you qualify for free parking. To get free parking you need to do the following when you are ready to leave the hospital:

The blue badge holder (who has to be the patient) must go to the car park office with their blue badge and appointment letter. If you show these you will get free parking for the duration of the appointment. If you have an appointment out of hours, buzz at the barrier on your way out and state you hold a blue badge.

### **Blue badge holders (in pay and display car park):**

Display your blue badge when parking in any pay and display car park, and there will not be a charge.

### **Patients attending regularly:**

Patients that attend at least 3 times a month for a period of at least 3 months, are able to claim back parking charges. To claim back parking, you will need:

- Keep all car park receipts
- Keep appointment letters, for the day that matches to dates of the receipt.
- Go to the cashiers office which is on the ground floor, turn left after the cash machine when entering the building from the main entrance. The cashiers office is on the right.

### **Parents of children staying overnight (aged 17 to 364 days or younger):**

Parents of children that have to stay in overnight can claim free parking. To claim this, the parent needs to visit the car park office on the way out of the hospital.

If in a pay and display car park please take your ticket to the car park office, give the child's "S number" and you will get free overnight parking. If in an ANPR car park you will not need your ticket.

The free parking is between 7:30pm to 8am. Anything outside of the given hours is chargeable.

Please note that this is valid for one car per transaction.

### **Alternative travel options**

Our car parks are full on a regular basis. We are unable to make sure parking is available for all users. If you are coming by car you may need to queue. This is on average between 20 and 30 minutes.

We encourage you to use another form of transport if you can. 'Choose how you move' is a local journey planner that shows you the different possible transport options for your journey:

[www.choosehowyoumove.co.uk](http://www.choosehowyoumove.co.uk)

There are regular bus links. Call Traveline on **0871 200 22 33** for more information. For train details call **0845 748 49 50**.

**Our Hospital Hopper:** This bus service links our 3 hospitals with Beaumont Leys Centre, Hamilton Centre, the Railway Station and Jubilee Square (Park & Ride hub). The service runs every 30 minutes during the day. Nationally recognised concessions are valid on the Hospital Hopper.

**Park and Ride:** There are 3 Park and Ride sites on the edge of Leicester. They run every 15 minutes from 7am to 7pm, Monday to Friday. Park and Ride does not come direct to the Glenfield Site but you can change onto a service bus for example, Hopper or First 14 to travel to the Glenfield.

**Cycling:** There is a cycle stand at the front of the hospital where bikes can be locked.
